

A note from the director

CBT School students, The Cullman Ballet Company and the Cullman Junior Dance Company are working hard to bring you two great performances on April 18th at Hartselle High School.

The 1:00pm and the 6:00pm will consist of all the tap, jazz, hip hop, contemporary and both companies dancing to music that represents games. We call this portion of our program "Lets Play"

Then we have "The Doll Shoppe" which includes the pre-ballet class levels up to intermediate Ballet Level 4. Elaine, the director of CBT School, created this ballet in 1988 and has brought it back this year for it's 5th season. Always a fun ballet for the young dancers.

CBT School dancers in class levels 5, 6, and 7 will perform a portion of act 3 from the Paquita Ballet. This will showcase the strong technique and pointe work they have required this year in their ballet classes.
