Just Dance

*Dancing is like floating on a cloud.
You fall into a rhythm,
the music takes you to another world.*

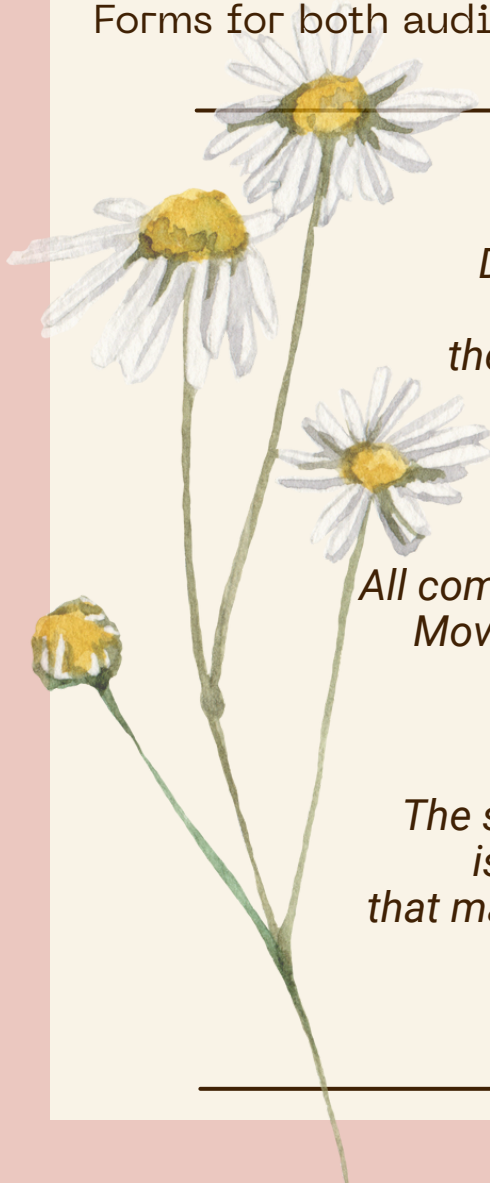

*Plié,
Relevé,
Pirouette--*

*Moves all spoken in French,
All coming together to make a beautiful dance,
Moving gracefully around the dance floor,*

*First position,
Second position,
Fifth.*

*The sound of pointe shoes hitting the floor
is like a walk in the summer breeze
that makes me forget the busyness of the day.*
