Another great weekend in Florence at the North Alabama Dance Festival has come and passed. Company Members along with a few other students from CBT School participated in a weekend of dance classes varying from Ballet, Musical theatre, and African. Followed by a showcase where the ensembles "Anytime Anywhere", "Cradles", "Chinese" from the Nutcracker, and the duet "Something in The Orange" performed beautifully. Students Sophia Zalusky and Alexa Park recieved scholarships to attend next years dance festival.
