Thank you all so much for coming to our 50th annual recital performance but especially thank you for bringing your children to CBT school. We take it very seriously that you put your trust in our teaching abilities and care of your children.

It is always our goal to not only give the best dance training but also to create a home away from home where lifelong friendships are made.

As the director of CBT school I want to personally thank you again! We will continue to strive to be the best dance teachers for our Cullman community!

Elaine
