

Cullman Ballet Theatre School

TO THE POINTE

A note from the director...

There are so many to thank for helping make another year of wonderful recital performances a success.

First a thank you for bringing your children to CBT School.

We take it very seriously that you put your trust in our teaching abilities and the care of your children.

It is our goal to not only give the best dance training but to also create a home away from home where lifelong friendships are made.

As director of CBT School, I want to personally thank you parents and dancers again! We will continue to strive to be the best dance teachers for our Cullman community and beyond!

Elaine

Alexandra

Warren

Junior Scholarship Winners

We have been working on our 2024-2025 class season which will open to the public tomorrow June 1st.

Previous CBT students that have preregistered through the school office will be notified by email.

****Class evaluations were given out the last week of classes****

If your dancer did not attend the last week of classes, you will not know what level they need to be registered in for the new season. All classes start Aug. 12

Please email to inquire: Elaine@cullmanbalettheatre.com

Open house registration Aug 5-8 drop in anytime 12noon-5:00pm

Annual recital #52: Story Ballet "Raymonda"
at Hartselle High School, April 5 & 6

Thank you to all who responded to my survey question.

The majority that responded to wanted April.

Even though this is much earlier than I expected it was all that i could get.

I communicated with Cullman High School, Wallace College, Fairview High School & Hartselle High School.

It was very frustrating searching for another date but the only place and time I could get scheduled was April 5 & 6 at Hartselle (rehearsals will be April 3 & 4)

All other schools were booked solid through April & May. Hartselle has been so easy to work with for our nutcracker that I know this will be a great place for our story ballet.
