

## A NOTE FROM THE DIRECTOR

We are getting very close to completing all the choreography for the recital performances.

Therefore, it is very important that all of our students not miss any of their regular scheduled classes and the upcoming Saturday rehearsals!

Parents, please notice in your recital handbook the list of attire, shoes, hairstyles etc. that is for each costume. Some costumes may need alterations, it is very difficult to calculate what size each dancer will need when we must order so early.

If you need assistance on any ideas with alterations please contact Elaine.

The April 27 rehearsal in costume is especially important to help us with any malfunctions there may be with costumes or head pieces before we arrive at Wallace.

Try the best you can to steam press out any wrinkles in costumes especially the tutus
